

## **Kanopy on Tablets & Smartphones**

1. **Download** and **install** the **Kanopy** app on your device.
2. **Open the app** and **select Get Started**.

**Find** and **select** your **library**.

Enter your **library card#** and **PIN#**.

Create your **Kanopy account** with an email address and password.

Click the **verify your account link** in the email you receive from Kanopy.

3. **Browse** by category, or **select** the **Search** tab to search by subject, performer or title.
4. **Click Play** to **Borrow** a title.
5. **Borrowed** titles will remain on your **Watch List** for 3 days.
6. The number of borrows remaining appear in the upper right corner of the **Home** screen.
