Maricopa County First Teeth First program comes to your library!

It is a great opportunity for children to learn about the importance of oral health.

This is only a visual screening which means it's completely pain free! Children will have a positive experience which will make them be more comfortable at their next dental visit.

*This program is for children between the ages of 0-5—not enrolled in kindergarten and expectant mothers.*

## Art and Craft Time: Wind Chimes
