

ARIZONA AUTHORS at Glendale Public Library

Glendale Main Library spotlights local talent by featuring an Arizona Authors collection.

Submission Guidelines

- Participants in the Arizona Authors collection must be local to the state (either born or presently living in).
- Titles must be donated to the library for inclusion (up to two copies).
- Submitted titles become the property of Glendale Public Library and the City of Glendale.
- Titles adhere to the same material selection guidelines outlined in the Glendale Public Library Collection Development Policy. Self-published titles will be considered, but must meet the criteria of suitability of format and technical characteristics. The Policy can be found at bit.ly/GPLCDPOLICY.
- Titles are subject to collection management guidelines outlined in the Collection Development Policy; meaning titles can be reconsidered, deselected, and withdrawn. Withdrawn or lost books will not be returned to individuals, nor are they automatically re-ordered.
- Arizona Authors books are not professionally reviewed by library staff. As with all other library materials, inclusion of a title is not endorsement of an author or subject.
