Parents Meet Up

2/4 @ 1:00 pm. Come to the library to learn about the library resources that will help you to give the best education to your children! We can provide you with access to the latest technology, homeschool curriculum ideas or simply spaces to learn something new together.

Family STEAM Project: Sand Science!

2/10 @ 1:00 pm—2:30 pm. Drop-in at the library youth patio to have fun with sand science!
Sand seems very ordinary material but it is so unique! You will explore sand qualities through amazing experiments, choosing the best sand to build castles, learning how earthquake works, building your own seismograph, making a beautiful Valentine's Day gift, and finding natural wonders in our paleontology pit with help of the Brazil nut effect!
This program is for families with children.
This project is supported by the Arizona State Library, Archives & Public Records, a division of the Secretary of State, with federal funds from the Institute of Museum and Library Services.

Registration required for each session. Space is limited to the first 25 children.
This project is supported by the Arizona State Library, Archives & Public Records, a division of the Secretary of State, with federal funds from the Institute of Museum and Library Services.

Teens

Teen STEAM Lab: Knotty Science

2/8 @ 5:30 pm. Come to the library to have fun with science! Learn why scientists care about knots, how to mathematically tie knots, and use the knot theory to create your very own Valentine's Day bracelet - a perfect gift for you or your friend!
**Please register!**
This program is for teens 12 - 18 y.o.
This project is supported by the Arizona State Library, Archives & Public Records, a division of the Secretary of State, with federal funds from the Institute of Museum and Library Services.

Teens

2/11 @ 2 pm. Outside the Box: Teen Gaming Time. Come to the library teen spaces and have fun, experiencing Virtual Reality with the library new VR set, playing computer, tabletop and human size games!
This program is for teens 12 - 18 y.o.

2/24 @ 1 pm. Tween and Teen Coding Club. We will guide you through some fun projects showing how to build a better world through coding!
Registration is required. This program is for teens 10—18 y.o.

2/26 @ 6 pm. TeenVenture: *Teen Venture: Handmade Stickers!* Explore your artistic flair at Teen Venture, our monthly crafting session tailored for teens aged 12-18! This month, get hands-on as we craft custom stickers from paper and tape, turning imagination into peel-and-stick creativity.

Teen Book Boxes! Need something new to read? Looking for something to do? Fill out the application and receive a box. Boxes will include 3 library books, a craft/activity, and other goodies!

All events at the Glendale Public Library are public, and participants may be photographed by the media and/or City staff for future print and/or online publication.
